

Ham Close

Community Facilities and Local Services Design Workshop

11th July 2016 18:30 – 20:30

16th July 2016 10:00 – 12:00

Key Messages from Previous Consultation

Retain Ham Library in current location

- Recently refurbished
- Strong community link to building and gardens - volunteers
- Acting as an excellent community hub in its current location

Key Messages from Previous Consultation

There should be no loss of existing services

Services on Ham Close include:

- Ham Youth Centre
- Ham Clinic
- Dental Clinic (private and NHS patients)
- Space for hire for community use including The Little House, home of Richmond MakerLabs

Questions for discussion

1. How well used are the current facilities? Who uses them?
2. What additional services could be provided within re-provided community facilities?
3. Should the community buildings be in a centralised location / co-located or be dispersed?
