Made 21st October 1996

Coming into operation 28th October 1996

The Council of the London Borough of Richmond upon Thames, having consulted the Commissioner of Police of the Metropolis, in exercise of the powers conferred by Section 6 of the Road Traffic Regulation Act 1984 (a), as amended, and all other enabling powers hereby make the following Order :-

1. This Order shall come into operation on 28th October 1996 and may be cited as the London Borough of Richmond upon Thames Cycle Lanes (No.1) Order 1996.
2. In this Order :-

"cycle lane" means those areas of the carriageway set out in column 2 of the Schedule to this Order and bounded on the near side either by the edge of the carriageway or by a traffic sign consisting of a longitudinal single white line and on the off side by a traffic sign consisting of a longitudinal single white line all on the same side of the road as that edge or white line and designated for the passage of pedal cycles;

without prejudice to the generality of the above paragraph where the single white line marking the boundary of the cycle lane is broken by a gap at the junction of any road with the lengths of road set out in the Schedule to this Order or at an accessway or at a pedestrian crossing or by a street refuge, the boundary shall nevertheless be regarded as continuing unbroken;

"telecommunications system" has the same meaning as in Schedule 2 to the Telecommunications Act 1984 (b);

the expressions "bus", "pedal cycle" and "taxi" have the same meanings as in the Traffic Signs Regulations and General Directions 1994 (c);

"prescribed hours" in relation to a cycle lane means the times set out in column 3 of the Schedule to this Order.

(c) S.I. 1994/1519
