

**Does your organisation or club work with children and young people?**

**Would you like to be able to provide better access for children and young people to what you do?**

If the answer is yes then you may want to apply for funding to the Richmond Aiming High Small Grants Panel.

You can get up to £500 to help train your volunteers or staff, to provide additional support for individual children or young people with disabilities or additional needs or do other things that give greater access to your activities.

Applications will be assessed by a group of young people and applying is easy. All you need to do is contact us on 020 8831 6181 or at [info@threewingstrust.org](mailto:info@threewingstrust.org) to get more information.  
We look forward to hearing from you!
