The courses are free and open to any child who will be 11 years or over by 31 August 2010 and who lives or attends school in the Borough. Children must be able to control their bike without excessive wobbling.

## Level 2 training: on-road

Trainees will be expected to attend each of the five sessions and bring suitable clothing/sun protection. The cycles will be checked on the first day of the course and any faults noted will be highlighted on a checklist for your attention. Pupils will not be permitted to continue on the course if their bike is not in a roadworthy condition as all tuition after the first day takes place on risk assessed roads in the area. We require all children joining the course to wear a correctly adjusted cycling helmet.
