
Application to reserve a grave

You may like to reserve a grave to ensure that you can be near family & friends or because you are pre-planning your funeral. We are happy to meet with you to show you the graves available. Please make an appointment by calling the cemetery office on **020 8876 4511**.

You can reserve a grave for a five-year period, the fee is non-refundable and can be renewed upon expiry. You may only reserve one grave per household, as there are limited new graves in the cemeteries. Each grave allows up to two full burials and subsequently eight cremated remains. We will make every effort to ensure that the reserved grave can be used when necessary. On the rare occasion that we cannot provide it, a full refund will be given.

When the grave is required for burial, the purchase fee and burial fee applicable at that time will need to be paid. Please note there are differing fees for residents and non-residents of the Borough.

We would ask that you do not put any flowers or memorials on the reserved grave.
