To All Residents / Businesses of
all Barnes controlled parking zones

Our Ref: 1033_L_MP_281108_Barnes

28 November 2008

Dear Resident / Business

Review of all Barnes controlled parking zones (CPZs)

Last year, you may recall that the Council undertook a consultation with all residents and businesses of CPZs in Barnes as part of the above review.

The consultation primarily sought views on merging a number of zones to actively reduce their number in Barnes. The results showed support to merge three zones B1 (North Barnes CPZ), CB1 (Barnes Village CPZ) and CB2 (South Barnes) into one new zone Barnes CPZ (zone B1).

Following the consideration of the results of the consultation and other aspects of the review, the Council is formally advertising proposals (traffic management orders) to:

- Merge zones B1, CB1 & CB2 into one new Barnes CPZ. The new zone will be called Zone B1 operating Monday to Friday, 10am to Noon.
- Incorporate the existing Barnes High Street and Station Road pay and display schemes into existing zone CB. This will mean that the pay and display parking areas at these two locations will extend to operate on Saturdays until 6.30pm (currently 1.30pm).
- Revise the layout of parking areas and yellow lines for all CPZs chiefly comprising of the following:
 - Extended parking areas to maximise available parking capacity
 - The introduction of double yellow lines particularly at junctions to improve road safety conditions though these will be kept to a minimum as parking areas are at a premium
 - The designation of all existing "Resident Permit Holders Only" parking areas as "Permit Holders Only" parking areas in the new Barnes CPZ (Zone B1) to maximise the flexibility of this new CPZ and allow business parking when necessary.
- Provide a number of other minor modifications to the CPZs including the introduction of a short stay parking area in Lonsdale Road adjacent to the Small Profits Dock.
- Provide pay and display parking areas at the southern end of Station Road, Barnes operating between Monday to Friday, 10am and Noon to provide parking for those using the station. Parking will cost £1 per hour with a maximum stay period of two hours.
- Introduce new lengths of waiting and loading restrictions in Castelnau, approximately between Trinity Church Road and Hammersmith Bridge to improve road safety

conditions and traffic flow.

The proposals are being formally advertised on Friday 28 November 2008 and representations to the proposals are invited on or before **Monday 22 December 2008**. These should be addressed to the Manager for Highways and Transport, Civic Centre, 44 York Street, Twickenham, Middlesex, TW1 3BZ or by e-mailing highwaysandtransport@richmond.gov.uk. It is important for us to know your views in order to make an informed decision.

Details of this consultation including plans showing the revised layout of parking areas and yellow lines will be available for inspection from **Friday 28 November 2008 to Monday 22 December 2008** at:
