22<sup>nd</sup> July 2008

# HISTORY

- Commercial recycling service has been running since April 2007
- Materials collected: paper/cardboard and mixed glass
- Ultimate goal: To mirror domestic collection service collecting wide range of materials.
- To increase 40%+ Richmond recycling rate

# THE SERVICE

- Reliable
- Dedicated call centre to report any missed collections
- No hidden charges
- Significant cost savings by utilising the commercial recycling service
- Compliance with new landfill directive legislation by recycling with the borough (recycling counts as a ‘treatment’ of waste)
- Daily collections

# HOW WILL THE SERVICE BENEFIT YOU?

- Substantial cost saving
- Complying to legalities
- Increases your green status
- Introduces sustainable practice to your organisation
