# HISTORY

- Commercial recycling service has been running since April 2007 – Response to be **Cleanest, Greenest Borough in London**.
- Materials collected: paper/cardboard and mixed glass.
- Ultimate goal: To mirror domestic collection service collecting wide range of materials.
- Richmond's domestic recycling rate- 42%.

# Operations of Service

- Reliable –excellent service standard
- Dedicated call centre
- Personal Service
- Free site visits- requirement assessment
- 4 different sized bins- cater for all businesses
- Daily collections
- No hidden charges

# HOW WILL THE SERVICE BENEFIT YOU?

- Significant cost savings by utilising the commercial recycling service
- Increases your green status
- Compliance with new landfill directive legislation by recycling with the borough (recycling counts as a 'treatment' of waste)
- Introduces sustainable practice to your organisation

# The Future of Recycling Services

- Currently on trial service which is reviewed quarterly but we are hoping that in the future we can incorporate other dry materials into our service
