

WANTED

MEMBERS FOR

The Richmond upon Thames Community and Police Partnership (CPP)

- The CPP provides an authentic and informed voice for local people to speak about policing issues.
- As a member of the public you can attend meetings at York House, Twickenham, question the Police on relevant issues and make your views known.
- The Group welcomes new members, so if you belong to a bone fide local organisation representing a number of people, why not join us a representative member.
- We are keen to hear from young people, black and minority ethnic groups, the disadvantaged and those that are under represented.
- The CPP is independent of the Police and the Council.
- It is also possible to join your local Police Liaison Group, which concentrates on matters in your own area.
- Contact 020 8891 7155 / j.taylor@richmond.gov.uk for details of how to get involved.
