

## Pledge to Go Green

We invite you to take the Go Green Pledge.

This scheme has been devised to reward companies who pledge to take action to reduce environmental impacts. Once you ✓ and submit your pledge we can provide you with support to help you to achieve your aims.

### Energy

- Turn off heating, lights and equipment out of business working hours and when not in use
- Fit energy efficient light bulbs

### Water

- Install a water displacement device such as 'save a flush' in toilet cisterns
- Regularly check taps and pipes for leaks

### Waste

- Recycle your business waste
- Donate unwanted materials to reuse schemes

### Travel

- Encourage staff and visitors to travel by bicycle, public transport, car share or walk to your business

For more ways to Go Green visit our site [www.richmond.gov.uk/gogreen](http://www.richmond.gov.uk/gogreen)
