

Hire of temporary grave surround Traditional sections

While you are deciding on whether to have a permanent memorial, you may like to hire a temporary grave surround. The black surround is made from recycled plastic. Our staff can install it as soon as eight weeks after the burial has taken place. You are welcome to bring your own topsoil ready for planting as the cemetery soil is poor.

There are many benefits from having a surround; it

- Marks the grave out accurately
- Helps to keep the grave tidy
- Is environmentally friendly
- Is good value for money
- Assists in protecting planted flowers

If you would like to hire a frame, please fill in and return this form, with your cheque for £60 (made payable to L.B.R.U.T) to the address below:
