To All Owners / Occupiers of properties situated within the green boundary on the plan of the consultation document enclosed

13 March 2009

Dear Owner / Occupier

### **St Margarets South controlled parking zone (CPZ) extension - Review**

In October 2008, the Council extended the St Margarets South CPZ to Bridge Road and Winchester Road. The decision to extend the CPZ followed consultation with residents and businesses in the area, the results of which were reported to the Council's Transport Consultative Group (TCG) last June. The Council is now reviewing the operation of this CPZ extension.

The purpose of the review is to seek the views of the residents and businesses within the extended CPZ on how it has worked since its implementation, whether it should remain in operation and, if so, whether any changes to it should be taken forward.

As part of the review, residents and businesses situated in roads outside the CPZ which were consulted in May 2008 are being consulted again to see whether they would wish to have the CPZ further extended to include their road (see plan overleaf). The decision to re-consult this area follows requests made at the TCG meeting last June.

**The St Margarets South CPZ currently operates between 10am and 4.30pm, Monday to Friday. Any further extension to this zone would retain these hours of operation.**

Enclosed is a copy of the CPZ review consultation document together with a questionnaire for you to fill in. Please read the document prior to completing the questionnaire and return it in the prepaid envelope by **Monday 20 April 2009**. It is important for us to know your views in order to make an informed decision.

Plans showing the existing layout of parking areas and yellow lines of the CPZ extension introduced in Bridge Road and Winchester Road will be available for inspection at the **Twickenham Library, Garfield Road, Twickenham** and at the Council offices, Civic Centre, 44 York Street, Twickenham during opening hours. The plans will also be available for inspection on the Council's website [www.richmond.gov.uk/stmargarets\\_cpz\\_review](http://www.richmond.gov.uk/stmargarets_cpz_review) from **Monday 16 March 2009**.

The results of the consultation will be reported to a meeting of the Transport Consultative Group (TCG) on **Wednesday 20 May 2009** starting at 6.30pm at York House, Twickenham, following which a decision will be made on the way forward. The meeting of the TCG is open to the public and the agenda and report are available on the Council's website

([www.richmond.gov.uk](http://www.richmond.gov.uk)) 7 days before the date of the meeting. Anyone wishing to speak at the TCG meeting will need to register on 020 8891 7156 before 2pm on **Tuesday 19 May 2009**. Minutes of the meeting will be available on the Council website and on request.

Should you wish to discuss any aspects of this consultation, please contact my colleague **Andrew Reeves** on 020 8487 5413.

Yours sincerely

Darren Wyatt
