13 May 2009

To All Owners / Occupiers of properties
situated within the blue boundary
shown on the plan attached

Our ref: 1041_L_130509_MP

Dear Owner / Occupier

**Twickenham Event Controlled Parking Zone (CPZ) Consultation
Colne Road / Lincoln Avenue area, Twickenham**

The Twickenham Event CPZ (zone R) was introduced in 1999 to provide parking priority for residents and businesses in a number of roads surrounding the stadium. The zone R CPZ operates only when there is a major event at Twickenham Rugby Stadium.

There are also controlled parking zones C and HM within the R zone boundary. Zone C operates Monday to Friday from 8.30am to 6.30pm and zone HM operates Monday to Saturday from 9am to 6.30pm. Both zones are also operational during the major events at Twickenham Rugby Stadium.

Roads or parts of roads situated inside of the CPZ area fall under either the London Borough of Richmond or the London Borough of Hounslow. Both Councils have been in receipt of complaints concerning parking problems in the areas to the north and south of the existing Event CPZ. The complaints reflect parking problems created by commuters and / or parking by those attending major events at Twickenham Rugby Stadium.

The purpose of the consultation carried out for roads within the blue boundary shown on the attached plan is to seek your views as residents and businesses on which of the following three options you prefer for your road:

1. An 'Event only' CPZ in your road. That is, an extension to zone R which operates only when there is an event at Twickenham Rugby stadium.
2. A CPZ which operates during the daytime (e.g. Monday to Friday, Monday to Saturday or Monday to Sunday) as well as during major events at Twickenham Rugby Stadium.
3. No changes at all to the parking arrangements in your road.

(Residents within the London Borough of Hounslow (green boundary on map) are being consulted on option 1 as this has been deemed appropriate by the London Borough of Hounslow).

Please note that parking permit charges apply in all daytime CPZs in the borough, the costs of which vary according to the hours of control that are applied, whilst permits valid for zone R only are currently issued free of charge.

Please complete the questionnaire and return it in the prepaid envelope by **Friday 5 June 2009**. It is important for us to know your views in order to make an informed decision.

Further information on this consultation and on how CPZs work can be obtained as follows:

Blue area (within London Borough of Richmond)

Telephone: 08456 122 660

Library: Twickenham Library, Garfield Road, Twickenham (during opening hours)
Heathfield Library, Percy Road, Whitton (during opening hours)

Council offices Civic Centre, 44 York Street, Twickenham (during opening hours)

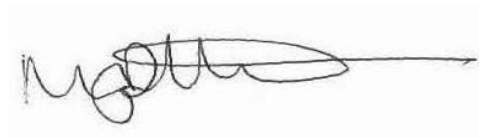

Council website: www.richmond/twickenham_event_cpz_review

The results of the consultation for the Colne Road / Lincoln Avenue area will be reported to the Cabinet Member in June, following which a decision will be made on the way forward.

If the results show sufficient support to extend the CPZ or to introduce a daytime CPZ, then the Council will proceed to a second stage consultation on firmer proposals including optional hours of operation and a finalised boundary for a CPZ.

Should you wish to discuss any aspects of this consultation, please contact my colleague Andrew Reeves on 020 8487 5413.

Yours faithfully

A handwritten signature in black ink, appearing to read 'M Potter', with a long horizontal line extending to the right.
