2 October 2009

To residents / businesses of Godstone
and Kenley Roads, St. Margarets

Our ref: 2183_L_DW_021009_St Margarets South CPZ Review

Dear Owner / Occupier

St Margarets South controlled parking zone (CPZ) extension

Following consultation with residents and businesses of the uncontrolled roads adjacent to the St Margarets South controlled parking zone, the Cabinet Member for Traffic, Transport and Parking approved the formal advertisement of proposals to extend the St Margarets South CPZ to Moor Mead Road and Sidney Road and to include all properties of The Grove and Cole Park View for eligibility of parking permits. The St Margarets South CPZ (zone S) operates Monday to Friday, 10am to 4.30pm.

In light of this extension to the CPZ, it was deemed appropriate to re-consult residents of Kenley and Godstone Roads on whether they would wish to have the CPZ further extended to also include their road (see plan overleaf). The Cabinet Member therefore further approved proposals to extend the St Margarets South CPZ to Kenley Road and Godstone Road, subject to the results of this consultation.

Enclosed is a questionnaire for you to fill in and return in the prepaid envelope by **Friday 23 October 2009**. It is important for us to know your views in order to make an informed decision.

All proposals are being formally advertised by way of traffic management orders on **Friday 2 October 2009**. The detailed parking designs will be on display from this date at the Twickenham Library, Garfield Road, Twickenham and at the Council offices, Civic Centre, 44 York Street, Twickenham during opening hours. These designs will also be available for inspection on the Council's website http://www.richmond.gov.uk/sidney_and_moor_mead_roads_cpz_extension from **Friday 2 October 2009**.

The results of the consultation and representations received to any of the above proposals will be reported to the Cabinet Member, following which further information will be posted to all affected properties advising the way forward.

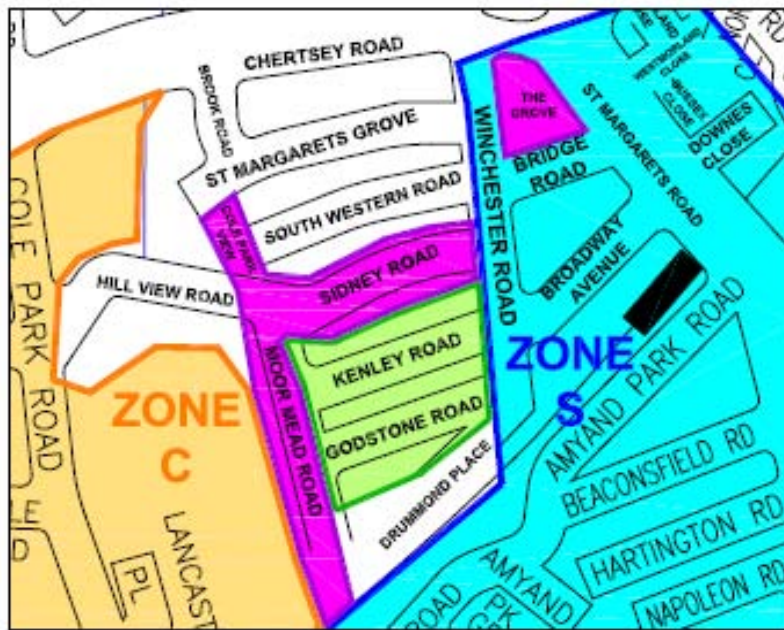

Should you require any further information, please contact my colleague Andrew Reeves on 020 8487 5413.

Yours faithfully

Darren Wyatt
