EXPLANATORY NOTE

This Order combines the former controlled parking zones of North Barnes (formerly zone B1), Barnes Village (formerly zone CB1) and South Barnes (formerly zone CB2) into a single zone, to be known as the Barnes CPZ. The Barnes zone is given the designatory letters "B1".

Parts of a number of permit holder bays in this order are, at the time this order was made, in use as car club bays by way of two experimental orders (made in February 2009 and November 2009). For so long as those experimental orders remain in force, this order designates the bays as permit holder places, as if the car club bays did not exist. If and when the experimental orders are made permanent, the provisions of this order will be amended by such permanent order(s).

The permit holder bays to which the previous paragraph relates are itemised in the schedules to this order as 4A/52 , 4A/74 , 4A/110 , 4A/120 , 4A/175 , 4A/220 , 4A/240 , 4A/258 ,

The proposals for this scheme were published in November 2008. This Order reflects the changes to those proposals as a result of consideration by the Council of statutory objections, and to take account of minor changes (mainly gaps in the parking places at dropped crossing points) agreed by officers in consultation with residents.

The proposals to introduce pay and display parking (maximum stay of 2 hours) in Station Road, near Barnes railway station, have been deferred – so the relevant item which had been included in Schedule 1 to the proposed order has been deleted from this order.

ROAD TRAFFIC REGULATION ACT 1984

**LONDON BOROUGH OF RICHMOND UPON THAMES
CONTROLLED PARKING IN THE BARNES AREA**

(Reference 49/10)

1. The Council of the London Borough of Richmond upon Thames on 9 August 2010 made nine Orders under sections 6, 45, 46, 49 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984 as amended. The titles of these orders are given in Schedule 4 to this notice, together with the date on which each will come into operation.
2. The Council has carried out a review of the parking provision in the Barnes area of the borough and gave notice on 28 November 2008 of its proposals to merge the former controlled parking zones ("CPZs") of North Barnes, Barnes Village and South Barnes into a single controlled parking zone. Other proposals were identified in that notice. This notice sets out the measures as introduced, and identifies certain variations from the proposals. Further particulars are given in paragraphs 5-15, and in Schedules 1 and 2. Particulars as to special parking charges are given in paragraph 19 and Schedule 3.
3. As a consequence of making these orders a number of previous orders have been revoked. The titles of the revoked orders are given in Schedule 5 to this notice.
4. A new proposal in respect of waiting restrictions in Church Road is being advertised separately (see paragraph 16).
5. The general effect of the **Hammersmith Bridge Parking Places Consolidation Order** is to re-make the order which provides for the Hammersmith Bridge CPZ, so as to improve its wording, especially as a consequence of recent legislation and to make minor changes to the position of the parking bays in the streets within this zone. The hours of control are Mondays to Fridays inclusive, between 10am and 6.30pm.
6. The general effect of the **Barnes Parking Places Order** is to merge into one zone the former controlled parking zones of North Barnes, Barnes Village and South Barnes: the new zone is known as the Barnes CPZ, and the identifying code "B1" (formerly used for the North Barnes zone) will apply to whole of the Barnes zone. Two residents permit bays in Ferry Road (between Byfeld Gardens and Westmoreland Road) act as a buffer between this zone and the Central Barnes zone, in which residents' permits issued for use in zones B1 or CB will be valid. The Barnes zone will be extended to include the section of Station Road to the south of Vine Road as far as Barnes railway station. Further particulars are given in paragraph 7 below and in Schedule 1 to this notice.
7. The Council has deferred making a decision as to the introduction of pay and display parking bays in the section of Station Road to the south of Vine Road (towards the railway station), notice of which was given on 28 November 2008.
8. The general effect of the **Central Barnes Parking Places Consolidation Order** is to extend the Central Barnes CPZ (zone "CB") such that it includes all of Barnes High Street. The hours of operation of the pay and display parking bays and the loading bay in the High Street are extended to include Saturday afternoons, as specified in paragraph 9. The Order consolidates the previous order which provided for the Central Barnes CPZ and the eight amendments which had been made to it, for the same reasons as are given in paragraph 5. The order will formalise the arrangements

by which certain residents who apply for permits will be issued with starred permits (see paragraph 11). Further particulars are given in paragraph 9.

9. The hours of control of the Central Barnes Zone are Mondays to Saturdays inclusive, between 8am and 6.30pm. Pay and display parking charges in Barnes High Street will apply during these hours. The standard parking charge is £1.00 per hour. The maximum stay is 2 hours, and parking periods may be purchased for intervals of 15 minutes at the standard rate of 25p. Discounted parking charges will continue to apply – details are available on request.
10. The general effect of the **Miscellaneous Streets, Parking Places Amendment Order** is to make minor changes to the position of the parking bays in the Bracken Gardens CPZ (Zone “Z3”). No significant changes have been made to this zone. The hours of control of the Bracken Gardens zone are Mondays to Saturdays inclusive, between 8am and 6.30pm. Additionally, the pay and display parking bays in Barnes High Street are revoked from this order, as they are now included within the Central Barnes Consolidation Order.
11. The general effect of the **Parking Places, Supplementary Provisions, Permits Amendment Order** will be to make the consequential changes to the parent order which sets out the charges for parking permits. These changes include the titles of the new parking places orders instead of the titles of the revoked orders, and formalise the arrangements which allow for permits issued for certain zones to be valid in neighbouring zones as follows:-
 - (a) permits issued for Zone B are valid throughout Zone B1;
 - (b) permits issued for Zone CB are valid in the buffer area of Ferry Road (see paragraph 8 above and Schedule 1, paragraph 5); and
 - (c) starred permits (resident permits available to residents of Nos 1-5 and 68-71 Barnes High Street and of Church Road only) for Zone CB are valid throughout Zone B1.

Details of charges for parking permits are available on request.

12. The general effect of the **Parking Places, Charges and Payment of Charges Amendment Order** will be to make the consequential changes to the parent order which sets out the charges for on-street “pay and display” parking. These changes include the titles of the new parking places orders instead of the titles of the revoked orders, and, as a result, all pay and display charges in the Central Barnes CPZ will apply during the hours specified in paragraph 9.
13. The general effect of the **Free Parking Places, Limited Time Amendment Order** is to make minor changes to the usage and the position of the free parking bays within the proposed Barnes CPZ. Where such parking bays were underused, they have been converted into permit holder parking places. Vehicles may be parked in these bays without charge, for a limited period: the maximum stay varies from bay to bay and is either 20 minutes or 1 hour. The Council has deferred making a decision as to the introduction of the new limited-time free parking bays which were proposed adjacent to the Small Profits Dock in Lonsdale Road (opposite Gerard Road), and which were included in the proposals published on 28 November 2008.
14. The general effect of the **Loading Places Amendment Order** is to make minor changes to the position of certain loading bays within the Barnes CPZ, and, for the loading bay in Barnes High Street, to extend its hours of operation (see paragraph 9). The hours of control will be those which apply to the relevant CPZ (other than as

specified for Station Road, see below). The former loading bay in Kitson Road is replaced with a limited-time free parking bay. A former disabled persons parking bay in Station Road (near its junction with Cleveland Road) is replaced with a loading bay, which is in operation on Mondays to Saturdays, 8am-6.30pm and where loading/unloading is limited to a maximum of 20 minutes.

15. The general effect of the **Waiting and Loading Restriction Amendment Order** is to:-
- (a) make changes to the loading restrictions which apply in Castelnau, Barnes, in the vicinity of Trinity Church Road and Lonsdale Road; and
 - (b) make minor changes to the waiting restrictions within the new Barnes CPZ, the extended Central Barnes CPZ and the existing Hammersmith Bridge and Bracken Gardens CPZs.

Further particulars are given in Schedule 2 to this notice.

16. The Council is proposing to make changes to the waiting restrictions in Church Road within the Central Barnes CPZ, notice of which is given separately.
17. Copies of the Orders, plans showing the location and effect of the Orders and the Council's statement of reasons for proposing to make the Orders can be inspected for a period of six weeks from the date of this Notice, quoting Reference 49/10, at:-
- (a) Castelnau Library, 75 Castelnau, Barnes, London SW13 9RT during opening hours; and
 - (b) the Civic Centre Reception, 44 York Street, Twickenham between 9.15am and 5pm on Mondays to Fridays, except for Bank and other public holidays; and may be viewed on the Council's web-site at http://www.richmond.gov.uk/traffic_management_orders.htm
18. Copies of the Orders may be purchased from the Environment Directorate, Civic Centre, 44 York Street, Twickenham TW1 3BZ.
19. Persons wishing to question the validity of the Orders or any of their provisions on the grounds that they are not within the powers conferred by the 1984 Act, or that any requirement of the Act or any instrument made under the Act has not been complied with that person may, within six weeks from the date on which the Orders were made, apply for the purpose to the High Court.
20. The London Borough of Richmond upon Thames (Parking Places) (Charges and Payment of Charges) Order 2009 gave the Council powers to introduce, vary and withdraw special parking charges for on-street parking. As a consequence of the extended times of parking controls in Barnes High Street within the Central Barnes CPZ (see paragraphs 8 and 9), the Council hereby gives notice of the extension of such charges as set out in Schedule 3.

ANDREW DARVILL
Assistant Director, Traffic and Transport
Civic Centre, 44 York Street, Twickenham TW1 3BZ

SCHEDULE 1

Further particulars of the Barnes CPZ (Zone B1)

- 1 The boundary of the Barnes zone will generally be the same as applied to the former North Barnes, Barnes Village and South Barnes zones. A short section of Lonsdale Road will be included in this zone, to encompass the area adjacent to the Small Profits Dock. Any person or business user who was formerly eligible to apply for a parking permit for any of these zones is now eligible to apply for a permit for the Barnes CPZ.
- 2 The hours of control are Mondays to Fridays inclusive, between 10am and 12 noon. These are the same hours as formerly applied to the North Barnes, the Barnes Village and the South Barnes zones.
- 3 Charges for parking permits for use in the proposed zone remain the same as those formerly in force for the North Barnes, the Barnes Village and the South Barnes zones, details of which are available on request.
- 4 The majority bays in the Barnes CPZ which were formerly designated as being for resident permit holders only are now bays where either a resident's permit or a business permit is valid. Resident permit holder bays have been retained in Merthyr Terrace, Lonsdale Road and The Terrace. No changes have been made to arrangement of bays in the Warwick Drive area, which was included in the zone in March 2010. The length of some parking bays, or discontinuities at vehicular crossovers have been varied from those as proposed, following representations from householders of adjacent properties.
- 5 The permit holder parking bays in Ferry Road between Byfeld Gardens and Westmoreland Road are within the new Barnes CPZ (see paragraph 4 above). However, permits valid for the Central Barnes zone are valid in these bays.
- 6 Residents of Nos 6-67 Barnes High Street and all of Church Road and all businesses in Barnes High Street and Church Road will be eligible to apply for permits of this zone.

SCHEDULE 2

Further particulars of the waiting and loading restriction amendment order

Single yellow lines will operate for the same hours as apply to the CPZ as a whole. Where there are no parking places, double yellow lines will be introduced (or existing ones retained) to provide spaces for vehicles to turn.

LONDON BOROUGH OF RICHMOND UPON THAMES CONTROLLED PARKING IN THE BARNES AREA

(Reference 90/08)

1. The Council of the London Borough of Richmond upon Thames is undertaking a review of the parking provision in the Barnes area of the borough. The principal proposal is to merge the existing controlled parking zones (“CPZs”) of North Barnes, Barnes Village and South Barnes into a single controlled parking zone. Within this new zone, most of the parking places will be “shared use”, i.e. for use by permit holders (resident permit holders and business permit holders). Other effects will be to alter the waiting restrictions, particularly at junctions and to make changes to the waiting and loading restrictions in Castelnau near its junction with Lonsdale Road and Hammersmith Bridge. Further particulars are given in paragraphs 3 to 11 below, and in schedules 1 to 4.
2. As a consequence of this review, the Council is proposing to make a new order for the proposed Barnes CPZ, to remake the order which relates to the Hammersmith Bridge CPZ, and to consolidate or amend certain other orders which give effect to other parking provisions and waiting and loading restrictions in the area. These orders will be made under sections 6, 45, 46, 49 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, as amended. The titles of the proposed orders are given in Schedule 3 to this notice, and the titles of the orders which are to be revoked are given in Schedule 4.
3. The general effect of the **Barnes Parking Places Order** will be to merge into one zone the existing controlled parking zones of North Barnes, Barnes Village and South Barnes: the new zone to be known as the Barnes CPZ, and will be known as the “B1” zone. The zone will be extended to include the section of Station Road to the south of Vine Road as far as Barnes railway station. In this section there will be a number of pay and display parking bays. Further particulars are given in Schedule 1 to this notice.
4. The general effect of the **Hammersmith Bridge Parking Places Order** will be to remake the order which provides for the Hammersmith Bridge CPZ, so as to improve its wording, especially as a consequence of recent legislation and to make minor changes to the position of the parking bays in the streets within this zone. The hours of control of this zone are Mondays to Fridays inclusive, between 10am and 6.30pm.
5. The general effect of the **Central Barnes Parking Places Consolidation Order** will be to vary the boundaries of the Central Barnes CPZ such that all of Barnes High Street falls within the Central Barnes (“CB”) Zone. The hours of operation of the pay and display parking places and the loading bay in the High Street will be extended to include Saturday afternoons, as specified in paragraph 6. The Order will, additionally, consolidate the order which provides for the current Central Barnes CPZ and the eight amendments which have been made to it, for the same reasons as are given in paragraph 4 above.
6. The hours of control of the Central Barnes Zone are Mondays to Saturdays inclusive, between 8am and 6.30pm. In Barnes High Street, pay and display parking charges currently apply on Mondays to Fridays (8am – 6.30pm) and on Saturdays (8am-1.30pm). By including the High Street in the Central Barnes zone, charges will apply on Saturday afternoons, ending at 6.30pm. The hourly charges for the pay and display parking in the High Street will remain as at present (£0.80 per hour, tickets may be purchased for periods of 15 minutes, with a maximum of two hours).

7. The general effect of the **Miscellaneous Streets, Parking Places Amendment Order** will be to make minor changes to the position of the parking bays in the Bracken Gardens CPZ (Zone "Z3"). No significant changes are proposed for this CPZ, other than waiting restrictions at the corners, as specified in paragraph 11 below. The hours of control of the Bracken Gardens zone are on Mondays to Saturdays inclusive, between 8am and 6.30pm.
8. The general effect of the **Parking Places, Supplementary Provisions, Permits Amendment Order** will be to make the consequential changes to the parent order which sets out the charges for parking permits. No changes to the price of parking permits in the Barnes area are being proposed at this time; however parking charges across the borough are subject to annual review by the Council. Details of all charges are available on request.
9. The general effect of the **Free Parking Places, Limited Time Amendment Order** will be to make minor changes to the position of the free parking bays within the proposed Barnes CPZ. Where such parking bays are deemed to be underused, the Council is proposing to convert them into permit holder parking places. Vehicles may be parked in these bays without charge, for a limited period: the maximum stay varies from bay to bay and is either 20 minutes or 1 hour. New limited-time free parking bays will be introduced at the Small Profits Dock in Lonsdale Road (near Gerrard Road), with a maximum stay of 1 hour.
10. The general effect of the **Loading Parking Places Amendment Order** will be to make minor changes to the position of certain loading bays within the proposed Barnes CPZ, and, for the loading bay in Barnes High Street, to extend its hours of operation (see paragraph 6 above). The hours of control will be those which apply to the relevant CPZ (other than as specified for Station Road).
