

Village Planning Fund Guidance Notes

It is important that you read these guidance notes before you complete the application form.

Thank you for your interest in the Village Planning Fund. These guidance notes will help you to provide all the information we require to enable us to consider your application.

Please also refer to the Information Pack, which can be downloaded from the website, for more information regarding the criteria and application process.

If after reading these Guidance Notes you are unclear about whether your application meets our criteria, please contact your local Community Links Officer who will be pleased to help you. Contact details are listed in the 'Key Contacts' section below.

As part of the application process you are required to discuss your proposal with local ward Members and lead service officers within the Council, who can talk through your ideas and provide extra guidance and support.

Please complete the electronic version of the application form. Paper copies of the application form are available from your local Community Links Officer if required. If you complete your application by hand please ensure that your

writing is clearly legible. Applications that cannot be easily read will be returned to you.

A large print version of the application form and guidance notes are also available on request from Community Links, London Borough of Richmond upon Thames LBRuT, 3rd Floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ or email AllInOne@richmond.gov.uk

Village Planning Fund

Completing the Application Form

1. Please confirm that you have read the guidance notes

Tick the box to confirm that you have read the guidance notes in relation to your application.

2. Name of organisation

Are you an individual applying or an organisation?

If you are an individual then you will need to apply in partnership with a constituted organisation; please give your name, and the name of the organisation.

3. What is the Legal Status of the organisation?

Please state the legal status of the organisation and provide the registered charity and company number, if applicable.

4 – 6. Your details

The person named on this application will be deemed as the person responsible for making the bid. We may need to telephone or visit you to ask for clarification of some of your answers or to provide additional information. If you have an e-mail address please give us this as it will speed up the assessment of your application. Please let us know if you have special communication needs and we will try to meet these.

7. Geographical areas covered

A village cluster system is best placed to recognise the impact that development can have beyond Village boundaries and to maximise the amount spent locally. You must indicate which cluster area you are applying for, as each has a separate amount of funding available. For example a project benefiting Ham and Petersham should be funded with the Ham and Petersham pot. The clustered areas are:

- Richmond and Kew
- Hampton, Hampton Hill, Hampton Wick and Teddington
- East Sheen, Mortlake and Barnes
- Ham and Petersham
- Twickenham, St Margaret's, East Twickenham, Strawberry Hill, Whitton and Heathfield

Please tick which clustered area and then write which individual village area.

8. Name of the project

If your project has a different name to that of your organisation, you need to tell us here. The exact name that you write in this box will be used for the public consultation if your project is validated and goes through to the next stage, please think about a name which best sums up what the project is.

9. Project description for public consultation

Please describe your project in 150 words or less. This exact description will be used for the Council website and the public consultation if your project is validated and goes through to the next stage. Please think about a summary which clearly defines what your projects aims are and what you would like people to read when the projects are shown online.

10. Describe your project

Please provide a detailed description of your project meeting the points listed:

- Think about what will change for the better as a result of your project?
- Please also try and quantify your activities, for example, how many sessions, for how long and when?

Some projects will not involve the running of activities.

11. How does your project address the needs of more people living in or visiting your local area as a result of development?

Your project must address the impact resulting from an increased number of people using your local area, either through new or developing housing or due to an increase in shops or services.

It is important to remember that ongoing revenue costs cannot be funded by the Village Planning Fund.

Below is a list of developments which have taken place within the village cluster areas. Larger developments have been listed however some smaller developments occur on personal property and for data protection reasons are not listed.

Richmond and Kew	Inland Revenue Office, Kew Ancaster House, Richmond Kings Road Garage, Richmond Rear Of 18 And 18A Evelyn Road Richmond TW9 2TF

Twickenham, St Margaret's, East Twickenham, Strawberry Hill, Whitton and Heathfield	Land to the rear of 558-564 Hanworth Road, Whitton

12. How and who have you consulted with to demonstrate the need for your project?

Please describe who you have consulted with; e.g. local people, Friends of Groups, trustees, user groups, about your project and how this was carried out.

13. What evidence have you collected to demonstrate the need for this project? Who are the main beneficiaries?

Please tell us how you know there is a need for this project, what evidence do you have? Can this need be demonstrated by other means e.g. availability of other services/facilities in the area, evidence from a resident's survey, or the Richmond Story which identifies needs

<http://www.datarich.info/resource/view?resourceId=710>

We anticipate that a large number of groups will apply for grants so we need to ensure that our funding is directed to where there is most need. Due to the large number of applications we may not always be able to contact you if we feel you have not provided enough evidence of need. **It is therefore up to you to demonstrate as fully as possible that there is a real need for your project.**

14. Which of the Village Plan priorities does your application meet and how will your project contribute to the priority/priorities identified?

Your project must be aligned with priorities which are identified in the Village Plans, and needs to relate to one or more of these priorities for the area https://www.richmond.gov.uk/myrichmond/village_plans There are some specific priorities listed for each village but also within the Village Plans the following service themes have been identified:

Physical infrastructure:

- Contributing to wider initiatives of urban realm uplift
- Street scene improvements to allow areas to be better used
- Contributing to Borough greening initiatives
- Making environments more accessible and Disability Discrimination Act compliant
- Improvements to wildlife habitat and environmental initiatives
- Increasing the variety of play & fitness equipment
- Supply and installation of bike racks/storage
- Enhanced and new cycle routes
- Improvements to community buildings

Social Infrastructure

- Projects that use digital solutions to include more vulnerable or marginalised residents
- Provision of community facilities and equipment
- Outreach provision to support more isolated members of the community

This list is only provided as inspiration and is not designed to restrict your creativity!

15. What is the estimated start and finish date for the project? Please include the key stages or “milestones” in running this project

The Village Planning Fund is intended to fund one-off projects and will not repeat fund projects, unless under exceptional circumstances. We are unable to consider projects that have already taken place; please ensure you have allowed sufficient time between submitting the application and when you would like to start the project.

Please also state the key stages or “milestones” of your project so that we can understand how you have planned the project. Your project will need to start after any monies have been awarded, and be completed within 12 months of the date the grant is given.

16. Identify and describe any risks / uncertainties

Identify any relevant risks to the project and outline what your mitigation measures are and list them in order of relevance: High/Medium/Low. Think about obstacles that your project may face and how you would overcome them.

17 – 18. Equality Impact: Which protected characteristic groups will your project support?

The Equality Act 2010 means that you must not discriminate against a person because they have any of the protected characteristics:

<https://www.equalityhumanrights.com/en/equality-act/protected-characteristics> . The following characteristics are protected characteristics:

- Gender

- Ethnicity
- Age (including older persons, young persons and children)
- Disability (including long-term illness or health condition)
- Gender reassignment
- Sexual orientation
- Religion or belief
- Pregnancy and maternity (or other caring responsibilities for dependents)

19. Please give details of the person who will be responsible for receiving any monies awarded.

Please include the contact details of the person who will be responsible for receiving any monies awarded.

20. Who will manage and be involved in the delivery of your project?

Please describe who will be responsible for managing and carrying out the project. Please state whether these will be paid staff or volunteers and how long you expect them to work on the project.

21. Does your project require permission from a third party and if so has this been obtained?

Depending on the type of project you are planning you may need to obtain permission from a third party e.g. local authority, planning permission, private individual/company. An example of the permission you might require is described below:

- A conservation group wants to develop a project on some local common ground, they would need to contact the local authority's Parks and Environment Department to obtain permission to work on the property and ensure they are complying with local biodiversity guidelines.
- For buildings, planning permission or change of use maybe required. You must ensure that you have the relevant permissions and paper work in place before you apply.

If you are unsure whether you need to seek permission for your project please contact your Community Links Officer or the appropriate lead service Officer within the local authority. Contact details are on page 9 of these guidance notes.

22. Have you spoken to the appropriate Council officer about your project?

You will need to have a conversation with the relevant Council officer who can offer you advice on the viability of your project, and ensure that your proposal is not part of existing work planned for the area.

Your Community Links Officer can assist you in identifying who you will need to liaise with to complete the application, for example; an application to renovate play equipment in a local park will require advice and guidance from the Parks Service and possibly Children's Services.

23. Endorsement from two Councillors from the cluster areas is required to support the project.

Please discuss your application with local Ward Members. Endorsement from two Councillors is required to meet the criteria. This may be in the form of a supporting email to the relevant group and Community Links Officer, or a signed application form. *Please ensure you have approached your Ward Councillor with plenty of time before the application deadline is due.*

24. Which other funders have you applied to and what was their response?

Please give us the specific name(s) of other funders you have applied to in relation to your project, and what the outcomes were. If you have been awarded other funding towards the project costs, or if you have a grant decision pending, please indicate when you will know the outcome.

You will need to demonstrate why you cannot fund this project from your own resources. In some circumstances we may decide to only fund a proportion of your project costs if we think you have the capacity to raise funds from other sources e.g. other funders, the lottery grant, your own fundraising efforts.

We will also take into consideration whether your proposed project or service is the responsibility of another statutory

body e.g. hospital, school, police etc and would be more appropriately funded by them.

25. Please state the date of your most recent audited accounts or management accounts

If you do not have a set of audited accounts (e.g. you are a new organisation) or if they are more than a year old, please explain why.

26. Please state your income and expenditure for your last financial year

Please include here the total income and total expenditure for your organisation in your last financial year.

27. How much is your project going to cost and how much do you need from the Village Planning Fund?

How have you arrived at the amount you are requesting? Please provide a breakdown of what the grant would fund. If it is towards an element of your project, please state what it will go towards. If you have received match-funding please state how much, and where this is from.

We expect you to have obtained quotes for goods/services, and salary costs should be based on either existing pay scales in your organisation or recognised local or regional pay scales. Staffing costs must be short, fixed term and incurred as a result of the delivery of the proposal.

For capital purchases or works we require you to have obtained a quote which will be evaluated by the Council, unless the works are to be carried out by the Council. We may ask you to provide evidence of these quotes at the assessment stage and once the project is completed we may require evidence of how much you have spent.

You will be required to sign a Funding Level Agreement for any grant awarded.

In-kind Match Funding

As well as actual match funding (cash funding), unpaid voluntary work can be used as a source of in-kind match funding for projects applying to the Civic Pride Fund. In-kind match funding is a noncash contribution of donated goods or services e.g. volunteer time, use of a room or equipment.

The in-kind contribution of goods and services are based on the rates you would have paid if you were not getting this for free. To calculate the in-kind contribution of volunteers' time we have used the Annual Survey of Hours and Earnings 2015 (ASHE) Median hourly pay – gross, for all employees in Richmond upon Thames. This provides an hourly rate of £14.36. If a volunteer is being used in a professional capacity e.g. legal advice, then that time can be costed at their professional rate.

To calculate volunteer time

Total hours per week volunteered (per volunteer) x Total number of volunteers = Total hours per week volunteered by all volunteers in this role.

Total hours per week volunteered by all volunteers in this role x Number of weeks given per year by each volunteer x Hourly rate (£14.36) = value of volunteer time.

For example:

Total hours per week volunteered (per volunteer)	Total number of volunteers	Total hours per week volunteered by all volunteers	Number of weeks given per year by each volunteer	Hourly rate	Value of volunteer time
7	5	35	40	£14.36	£20,104

Payments made from the Village Planning Fund will fund actual expenditure of the proposal and not the in-kind elements.

28. If we can only part-fund your project, what are your spending priorities?

Please state what your spending priorities are (what you would like funded first) should you receive partial funding.

29. Please identify any on-going maintenance costs. How will these costs be met?

If on-going maintenance is required from the Council, then you must have the agreement of the relevant service lead in place before applying.

30. Does your organisation have a bank account in the name of the organisation / project with two separate signatories?

In order for us to pay you, your organisation will need a bank account in the name of the organisation with a minimum of two signatories. We are unable to proceed with your application if this is not the case. Please contact your Community Links officer to discuss options.

31. If the project will continue beyond the timescale for which you are applying for a grant, how will you fund this?

This fund is not designed to fund ongoing projects, so if this is an ongoing project or a pilot project you will need to demonstrate that you will not be reliant on funding from the Village Planning Fund in future years to continue to deliver your project or services.

32. Agreement: Your understanding of the grant condition

This is an important legal requirement as you will be managing public funds. The person signing the form needs to confirm that they take responsibility for the information provided within your organisation's application for funds.

They are also indicating their willingness to be contacted by our representatives and to meet with them and provide further information if requested.

We work closely with local funders who maybe more suited to fund your project. Would you be happy for us to share your application with these funders who may be able to assist in funding your project? e.g. Richmond Parish Lands Charity, Hampton Fuel Allotment Charity.

33. Monitoring and Evaluation

If your application is successful you will be required to complete a short monitoring and evaluation form at the end of your project. A copy of the monitoring form will be sent out to successful projects and can be seen by request.

34. Where did you find out about the Village Planning Fund?

Please state how you found out about the Village Planning Fund.

35. Any other comments?

Please state any other comments you may have.

Supporting Documents

Accounts

Please enclose a copy of your most recent financial report and accounts. These should be produced not later than 10 months after the end of your financial year, as required by the Statement of Recommended Practice (SORP). If you do not have audited accounts please provide an income and

expenditure sheet for the past 12 months. If you are a new organisation and your application is successful you will be asked to provide evidence of recent income and expenditure e.g. bank statements.

Children and Vulnerable Adults

If you are applying for a project that works with children, young people or vulnerable adults we will need to be sure they will be safe. As a minimum, you must have a policy that explains how you make sure of this and you must ensure that the policy is put into practice. Staff and volunteers working with children, young people or vulnerable adults on your project should also have Disclosure and Barring Service (DBS) clearance. If you do not have this in place please speak to your Community Links Office who can support you.

Making Your Project Sustainable

Richmond CVS is a local charity which provides support, advice and training in all aspects of charity, community and voluntary activity in the London Borough of Richmond upon Thames. They can provide specific support to help you develop your project, plan and apply for future funding and develop the sustainability of your project. For more information please visit the Richmond CVS website:

<http://www.richmondcv.org.uk/>

South West London Environment Network (SWLEN) is a local charity that assists people and organisations who protect and enhance the environment. They help environmental groups to start, operate, find volunteers, raise funds, get insured,

share good practices and collaborate. For more information please visit the South West London Environment Network website: <https://swlen.org.uk/>
