

# Cremated Remains - Granite Memorial

## Garden of Rest - Teddington & Richmond Cemeteries

This cremated remains plot is marked with a polished black granite memorial with vase. The burial takes place in the grassed area in front of the memorial and allows up to two burials.

Your inscription, which will be cut and filled with gold, can have up to 120 letters. You may wish to leave space so an inscription can be added in the future. We will ask the mason for a proof of your inscription, and will send it you. Once you have approved it, and we have received full payment, we will order the memorial, which should be delivered within eight weeks.

We try to ensure the garden is kept neat and tidy ask for your help with this, by not placing other flower vases, pot plants or glass jars. The memorial can be kept clean by washing it down with water.

If you would like to choose this option, please fill in the "Granite Memorial Application Form". You will also need to fill in the "Application for a Burial in a New Grave". The Certificate of Cremation (the Crematorium issues this certificate with the cremated remains) must be either sent or given to the Cemetery staff prior to burial.

You can arrange to have the burial before or after the memorial is ready. Please contact the cemetery office to arrange a suitable day/time. Times are available Monday - Friday 09.30 a.m. - 3.30 p.m. If you would like a Minister to take a short service, you will need to contact him/her to confirm that they will also be available at this time.

Please let us know if you will bring the cremated remains with you on the day or if your Funeral Director will deliver them to our office (2 days before) and we will bring them.

If you would like any help or advice on filling in this form, please contact the cemetery office, as we are happy to help.

You may like to make an appointment to discuss your questions in person, at our East Sheen Cemetery Office.

**If you need this in large print, Braille, audio tape or another language please contact us on 020 8876 4511**
