

NOT IN MY NEIGHBOURHOOD

Who is working to make the London Borough of Richmond upon Thames safer; what they are doing; what effect they are having and what you can do to help?

What are the members of the Richmond upon Thames Community Safety Partnership doing to make you safer?

Over 1500 "DATA LINK" Canisters distributed by the Community and Police Partnership

Local residents using Community Payback by offenders to improve their areas

Long serving local Victim Support volunteers win Awards

Over 3500 pedal cycles property marked by the Community Safety Partnership

Operation LOCKOUT – over 1800 burglary packs issued and a presence at various community events

Community TV launched with ten information screens across the borough

Test purchase operations and prosecutions for sale of alcohol and knives to underage children by Trading Standards and Police

Regular "Green, Safe and Clean" weeks organised by the Street Scene Enforcement Team

One Stop Shop for victims of domestic abuse launched

This is just a tiny selection of the successes this year. See www.richmond.gov.uk/not_in_my_neighbourhood for further details of the activities of all the agencies working to make Richmond upon Thames safer.

What effect are they having?
