

Engaging employees, improving individual and organisational performance

Are you putting jobs at risk or making people redundant in your organisation and want to help them?

If you or your employees are based in the Borough of Richmond-upon-Thames', Kingston or Merton then we can offer Free training and support to help these people get back into work.

To find out how Prohr can help you help your people, call us confidentially: 0208 755 5381 and ask for 'Response to Redundancy'

Prohr provide support and training to help those at risk of redundancy or made redundant in the past three months, find another job. If your business is in Richmond-upon-Thames, Merton or Kingston call us now to find out more about how our Government and European Union funded training courses can help your people get back to work quickly.

Our high quality **FREE** two day programme covers the following:

- Managing an unexpected job and career change
- How to find another job
- How to write an effective CV
- Making your application stand out
- Developing a personal plan for success
- What skills have I got? How to sell your self fully
- Interview preparation
- Getting an edge in interviews
- Personal presentation & impact
- Qualifying for one of our other free skills programmes
- Make a change in career direction happen

Call us in confidence today to discuss your requirements and make arrangements to get the support your people need quickly. If your business is in the services or retail industry or you have staff in sales or management roles being made redundant they may be eligible for a further 60 hours fully funded support on our nationally accredited programmes.

Prohr is a division of **Prosell Learning Ltd** a market leading training provider who has worked with some of the worlds most successful companies helping them gain competitive advantage through their people. **Prohr** staff are experienced in helping companies and staff in redundancy situations.

We offer a full range of HR services, if you have any personnel matters that you would like help with and are not sure where to start why not give us a call on 0208 755 5381 or email us at r2r@prosell.com
