Key Strategic Organisation (KSO)

- Increasing Voluntary sector engagement in range of initiatives. - Especially developing Children's Trust and implementation of the objectives identified in the LBRUT Children and Young People's Plan.
- An improved offer of activities and support services to the youth of LBRUT
- Enabling voluntary youth providers to continue to provide popular and effective activities/services for young people
- Consult with voluntary and community groups working in the same specialist area of work and represent their views on strategic bodies in LBRuT, particularly to local statutory bodies.

Young People's Services

This grant will make a contribution towards the running costs of the following services:-

- Off The Record Youth Counselling Service
 - Offer counselling for young people at Church Street premises in Twickenham and borough schools
 - Run sexual health clinic
 - Offer contraceptive advice and distribution for local young people
- Detached Drug Project
 - Working closely with the borough's drug team the Detached Drug Project has two full time workers delivering education and awareness sessions to young people in schools/colleges and on the streets
- Youth Café Bus Project
 - Mobile youth project space for young people aged 11 upwards making youth work possible in areas where there is little or nothing in the way of provision for young people. The project offers informal social and personal education for young people through safe social space, and activities, resources and interventions designed to meet the specific needs of each group in each area, which currently including sexual health and relationships education, drug and alcohol awareness education, careers work, group work, creative arts (including photography and digital imaging), among others.
- Kings Field Skate Park
 - Work with young people to ensure their involvement in the projects' development
 - Secure funding for the revenue costs of the park

Mental Health				
KINGSTON ADVOCACY GROUP (incorporating RICHMOND USER FORUM)		4,120	11,079	15,199
