

Let's Talk!

About what you have done recently...

On Monday - Please bring in a photo or a memento of something you and your child did together at the weekend

Sharing information between home and nursery helps us to support your child's communication skills

Let's Talk!

Talk to your child when you are getting dressed.

You may even like to sing a song about it!
(e.g. To the tune of the hokey cokey - You put your arm in, you put your arm in, you put your arm in and shake it all about!)

Talking to your child during everyday activities helps them learn new words and phrases. Songs and rhymes help them remember them
