

Every Child A Talker - Talking Tip:

Guinness World Record™

With 2011 being such an important year for children's communication we thought we'd try something different - a Guinness World Record attempt!

At 11am on 1 March 2011

we will be attempting to break the record for the largest number of children, siblings, parents/carers performing

Head, Shoulders, Knees and Toes
in multiple venues across the UK.
