Your Council Tax bill

Council Tax is based on 2 or more people aged 18 or over living in your home. If you are the only person living in your home, we can reduce your bill by a quarter. If nobody lives in your home, we may be able to reduce your bill.

Some people are not counted as living in your home when we work out your Council Tax bill. These people are **disregarded**. So even if there are two or more people living in your home, if some or all of you are disregarded we may be able reduce your bill.

How to apply for a discount

People are not automatically disregarded.

If you think that somebody in your home should be disregarded, please contact us for an application form. You will need to fill in a separate application form for each person.

If you qualify for a discount we will send you an amended bill. If we cannot reduce your bill we will write to you telling you why we have not been able to do so.

Disregard type 3

People who you receive Child Benefit for

We will not count someone as living in your home if they are:

- 18 years old or over; **and**
- their parent / guardian is still entitled to Child Benefit for them.
