

REVISION TO UDP PARKING STANDARDS

As agreed at Cabinet on 4th July 2005, the new parking standards for residential areas are as follows:-

3 bedroom units : was 1 space in or outside Controlled Parking Zones (CPZs), **now 2 spaces both in and outside CPZs**

4 bedroom units: was 1 space in CPZs, & 2 spaces outside, **now 2 spaces for both**

5 bedroom units: was 2 spaces in and out of CPZs, **now 2 spaces within a CPZ and 3 spaces outside**

Amendments are proposed for Development Control purposes on an interim basis pending the wider review as part of the LDF process. These are maximum standards. All other standards remain unchanged.
