Subject: Eel Pie Island Floodplain Proposal - Objection

To whom this may concern,

I am writing to formally object to the proposed modifications under Policy 8 (MM44) of the Local Plan, particularly the reclassification of Eel Pie Island into Flood Zone 3b. Please consider retaining the current Flood Zone 3a classification for Eel Pie Island and consider the island's unique circumstances.

This proposed modification offers no tangible flood risk benefits and poses unnecessary harm to our community.

Kind Regards,

Natalie Peter
