EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

- 1 This Order affects two parking bays in Nightingale Lane within the Richmond Hill controlled parking zone (hours of operation being 8.30am to 6.30pm on Mondays to Saturdays inclusive) as follows:-
 - (a) deletes 2 parking spaces (with space for 8 cars in total), currently for use by vehicles which display a valid residents', residents visitors or a business permit; and
 - (b) in their stead, and by removing an overall length of 10.5 metres of single yellow line in their vicinity, introduces a new shared-use parking place with space for 12 vehicles, for use either as pay and display parking with a maximum stay of 4 hours or where vehicles which display a residents', residents visitors or business permit, valid for the Richmond Hill ("A2") zone, may park.
- 2 This Order also consolidates into a new Order the London Borough of Richmond upon Thames (Richmond Hill) (Parking Places) (Consolidation No. 1) Order 2007 ("the previous consolidation order"). Since the previous consolidation order was made, the permits Order (see Article 3(1) of this Order) has come into operation, in which Schedule 6 has replaced Schedule 9 to the previous consolidation order. Schedule 9 to that Order has, therefore, not been replicated in this Order. This Order includes certain textual changes to the previous consolidation order as a consequence of Part 6 of the Traffic Management Act 2004 which came into force on 31 March 2008.

STATEMENT OF REASONS

This Order changes the use of two parking places in Nightingale Lane within the Richmond Hill controlled parking zone. The parking places were formerly for use by residents' and business permit holders, but by virtue of this order become shared use parking places for use by residents' and business permit holders and as pay and display parking, with a maximum stay of four hours.

The change of use of the parking bays is being made to make best possible use of available road space for the benefit of residents, business users and persons who are visiting the area.

This consolidation order has been made for the convenience of

- all those charged with the enforcement of parking controls in the Richmond controlled parking zones in the London Borough of Richmond upon Thames,
- all those concerned with the review, introduction and revocation of new and existing parking controls and charges; and
- members of the public and any other person who may wish to consult this document.

Part III (Supplementary Provisions) Section 2 (Permits) of the previous consolidation Order, made in 2007, was revoked by the permits Order.
