EXPLANATORY NOTE

(This Note is not part of the Order but is intended to indicate its general purport.)

This Order varies the size and location of two parking places in Richmond Road, Twickenham.

STATEMENT OF REASONS

The London Borough of Richmond upon Thames (St Margarets South) (Parking Places) (Amendment No. 1) Order 2009

The Council, in consultation with Transport for London, is intending to introduce two new bus stop clearways in Richmond Road, Twickenham and to extend a third one. These proposals will affect two parking places within the St Margarets South controlled parking zone. The hours of control of this zone are between 10am and 4.30pm on Mondays to Fridays.

The first parking place is a shared-use parking place for use by vehicles which display either one or two parking vouchers (and may park for a maximum of 4 hours in any day) or which display a valid resident's, resident's visitors, business or operational parking permit. This will be shortened from 33 metres overall to 7 metres overall (a net loss of space for 5 cars).

The second parking place is for vehicles which display a valid residents, residents visitors or operational parking permit. This will remain the same length as existing, but will be relocated some 9 metres to the west of its current location.

The proposed bus stop clearways will be of benefit to people using public transport, and the loss of parking space will be a consequential effect of that benefit.
