# Appendix A - Quarterly Richmond Corporate Plan performance indicator report

#### <u>Notes</u>

| Red                    | Indicator result more than 5% off target  |
|------------------------|---|
| Amber                  | Indicator result more than 2% but up to 5% off target   |
| Green                  | Indicator result within 2% off target   |
|                        | Data only, Indicator not targeted. Generally a target has not been set either because the indicator is 'owned' by a partner organisation or where the |
|                        | Council is unable to directly influence the result.   |
| Polarity of indicators | Unless otherwise stated, a higher number indicates good performance (i.e. aim to maximise).   |
