To Have and to Hold...

York House is a fine 17th century building, with a fascinating history, set in beautiful grounds on the banks of the River Thames. We provide a truly unique wedding or civil partnership venue offering couples something old and something new for their special day.

We allow external caterers to cater for your special day. With this unique combination you can truly personalise your celebration. With a variety of rooms available, you can hold your ceremony or your reception, or alternatively, have everything under one roof.

Please contact our Hall Lettings Team and we will be happy to put together a bespoke quote for you.
