

## **Coronavirus (COVID-19) update from Cllr Gareth Roberts 30 March 2020**

### **Part 1**

- Hi, is that Paul?
- Yes
- Hi, this is Richmond Council, we've got a delivery for you.
- Yes, if you'd like to come in
- Thank you

### **Part 2**

**Cllr Gareth Roberts:** Hello. I'm out today helping the volunteers who are getting the food parcels out to those people in our community who need help most. There are two ways that you can help. Firstly, if you want to volunteer, you can go onto the Richmond Council Voluntary Services website and register as a volunteer. If you can't do that, then we would really like you to make a donation of non-perishable food stuffs, cleaning products etc to Age UK Richmond, drop it off to the Twickenham Well-being Centre directly opposite Richmond Council headquarters at the Civic Centre. If you need help, then please contact the Community Hub. The Community Hub can be contacted both by phone and by email and the details will be coming up on the screen after this message. So again, thank you if you've been helping and if you need help get in touch so that we can get the help to you. Thank you
