

# LUNGS OF LONDON

Amber  
Yr 3

I may be only little

But My Lungs mean a lot to me  
They need time to develop  
So I can grow as strong as a tree

Honk Honk

Please leave your car at home,  
And take time to walk or scoot  
If you leave your car to idle  
Others will give you a hoot

A messy fire is ugly

But think before you light  
The smoke from the flames  
means my body has to fight

Nature is important

Please don't cut down plants and trees  
As well as looking beautiful  
They help our lungs to breathe

Air pollution is dangerous

There are a lot of things you can do  
catch a bus, turn off the lights together set the world to rights  
And help children like me and you

Just right

Just right
