Inspector Rebecca Robinson, Metropolitan Police
- ***Living locally***
Jenifer Jackson, Assistant Director of Environment and Community Services (Planning and Transport)

Workshop discussions

Delegates will be split into groups to discuss:

Using Richmond, Whitton and Heathfield as examples, what are the changing needs of our community in relation to town centres and high streets?

How should we incorporate this into our key priorities and strategies for high streets and town centres? Consider short, medium and long-term priorities.

What are your 3- 5 key priorities from your list?

Break

10 minutes

Reviewing our discussions

Jon Evans, Assistant Chief Executive, Richmond Council

Speaker – making change happen

Paul Clement, CEO, Locus Management

Closing remarks

Cllr Richard Baker, Spokesperson for Economics and Business, Richmond Council

Please note that the plenary parts of the conference will be recorded and the Council may use clips in social media or in follow on events with Richmond's community. If you would prefer not to be included in any clips please keep your camera off and advise partnerships@richmondandwandsworth.gov.uk
