Dear Resident / Occupier

Myrtle Road/Holly Road area Hampton Hill Parking Review – Questionnaire for Completion

The Council is undertaking a parking review in the Holly Road/Park Place area of Hampton Hill.

This review is being undertaken following the submission of a petition from residents of Holly Road, Park Place and Myrtle Road requesting parking controls. It is understood that some residents have faced difficulties in finding a parking space near to their home due to non-residents (including all day commuters and/or short and long stay parking) parking in the area. A Controlled Parking Zone (CPZ) can alleviate these difficulties.

We are now seeking feedback from you, the residents and businesses within the boundary shown on the enclosed map, on whether you would like to see a CPZ introduced.

Should a CPZ be introduced, residents, their visitors and businesses wishing to park on street during the operational times of the CPZ will be required to purchase / display a valid parking permit. You would not be able to purchase a permit if you live in a property subject to a S106 Planning Agreement which restricts or prohibits the issue of permits. Details of the parking permit prices from 1 April 2022 are as follows:-

	2 or 4 hour CPZ	6.5 - 10 hours CPZ	10+ hours CPZ
1 st permit	e.g., Mon-Fri/Sat 10am to Noon or Mon-Fri/Sat 10am to 2pm	e.g., Mon-Fri/Sat 10am to 4.30pm or Mon-Fri/Sat 8.30am to 6.30pm	e.g., Mon-Sun 8.30am to 6.30pm or 8am to 10pm
Resident	£55.20 per year	£93.90 per year	£124.00 per year
Resident Visitor / Trader's Permits	£1.50 per day	£3.00 per day	£3.00 per day
Business	£176.40 per year	£298.10 per year	£397.10 per year

Resident and Business permits

The Resident and Business permit prices are for the 1st permit issued per Household/Business for one year. Subsequent permits purchased per Household/Business per year are approximately 50% more for the 2nd permit issued and approximately 50% more again for 3rd and subsequent permits issued per Household/Business.

Resident visitor permits

Resident visitor permits (scratch cards) are available at half the standard price to the over 60s. These permits must be validated for the relevant time period.

Please note that parking charges are reviewed annually.

There are two ways of providing your response:

Online survey

To respond to the online survey, please visit:

<https://haveyoursay.citizenspace.com/richmondcs/hhill-22>

You can also access the online survey by scanning the QR code below.

If you are unable to complete the survey online and you would like a hard copy of the questionnaire, please call 020 8871 8929 leaving your name and address and quoting reference 'Hampton Hill Parking Review' and one will be posted out to you with a postage paid return envelope.

Please ensure we have received your responses by **Sunday 20 March 2022**.

Please note that the responses will be analysed over the whole area as well as on a street-by-street basis meaning that a CPZ could be introduced in some roads and not others if appropriate. The Council would like to demonstrate that any measures have the support of residents so a good response is very important, although the Council will not base its decision on residents' wishes alone. All feedback to this consultation will be considered by the Council along with all relevant traffic management and other highway factors, prior to a decision being made on the way forward.

Parking beat surveys/counts will be carried out in the area in the coming weeks to assess the current parking demand in each road within the consultation area.

Further information on this consultation/review, on CPZs and parking charges can be viewed by visiting the webpages below or by calling the Customer Service Centre on 020 8891 1411.

Finally and separate to this consultation, please be informed that we are aiming to undertake line marking works in this area in Spring 2022. This will include a 're-fresh' of the footway parking exemption markings in Park Place and Myrtle Road. These works will require some temporary parking suspensions in sections of road at a time as we progress the works. Every effort will be made to keep the disruption to a minimum.

Yours faithfully

Michael Potter
Parking Policy Manager
