21 March 2022

Dear Resident / Occupier

**Cole Park Controlled Parking Zone (CPZ), Zone C
Fulwood Gardens Consultation – Questionnaire for Completion**

In January 2022 I wrote to you to inform you of the results of the parking consultation for Erncroft Way and Fulwood Gardens. As I am sure you will recall, this consultation showed insufficient support to implement a new sub-CPZ (Zone C1).

As advised in the above-mentioned letter, we are now consulting on adding Fulwood Gardens to the Cole Parking Controlled Parking (Zone C) – see attached map. If Fulwood Gardens was added to Zone C, parking controls would operate during Monday to Friday 8.30am to 6.30am and Zone R parking controls would continue to operate, that is, when a major event is held at Twickenham Stadium.

Should Fulwood Gardens be added to Zone C, residents and their visitors wishing to park on street during its operational hours/days will be required to purchase / display a valid parking permit. You would not be able to purchase a permit if you live in a property subject to a S106 Planning Agreement which restricts or prohibits the issue of permits. Details of Zone C parking permit prices from 1 April 2022 are as follows:-

Permit Type	Cost
Resident	£93.90 per year
Resident Visitor	£3.00 per day
Business	£298.10 per year

Resident and Business permits

The Resident and Business permit prices are for the 1st permit issued per Household/Business for one year. Subsequent permits purchased per Household/Business per year are approximately 50% more for the 2nd permit issued and approximately 50% more again for 3rd and subsequent permits issued per Household/Business.

Resident visitor permits

Resident visitor permits (scratch cards) are available at half the standard price to the over 60s. These permits must be validated for the relevant time period.

Please note that parking charges are reviewed annually.

The Council would like to demonstrate that an extension to a CPZ has the support of residents so a good response is very important, although the Council will not base its decision on residents' wishes alone. All feedback to this consultation will be considered by the Council along with all relevant traffic management and other highway factors, prior to a decision being made on the way forward.

Further information on this consultation/review, including results from the previous consultation, and on CPZs and parking charges can be viewed by visiting the webpages below or by calling the Customer Service Centre on 020 8891 1411.
