

Annual Foster Home Review

Part D: Completed by Supervising Social Worker and the foster carer's child (aged 4 – 10 years)

It is the responsibility of the Supervising Social Worker to meet with young people who are the sons and daughters of foster carers to complete this report. Wherever possible it should be completed by that young person in their own words. Each young person should complete a separate form.

Name:

Age:

Date:

On a scale of 1 – 5 how do you feel about fostering and sharing your home and family with other children?

- 1 Not enjoyed it at all
- 2 Enjoyed it a little bit
- 3 Enjoyed it sometimes
- 4 Enjoyed it a lot
- 5 Enjoyed it extremely

Can you tell us why you have chosen this number?

What have been the best things about fostering over the last year
What do you like most about being part of a family who foster?

What have you not liked about fostering over the last year?
Who did you talk to when something not so good happened?
Have things improved now or do we need to help some more?

--

Do you get enough time with your parents? How much of their time does fostering take?

--

Is there anything you would like to change about your family fostering?

--

If you were worried about fostering, who would you talk to?

--

Have you been to any fostering events such as the sons and daughters, family fun day? What did you think about them? Can you think of things we could do for you to meet other children who foster?

--

Do you have any comments or ideas that we could share with young people whose parents are thinking about fostering?
