Dear Owner / Occupier

**Harrowdene Gardens Teddington – Proposed double yellow lines TMO
Advertisement**

In December 2024, we wrote to inform you of the Council's decision to advertise traffic management orders proposing new lengths of no waiting 'At Any Time' restrictions (double yellow lines) to improve access especially for emergency service vehicles – see the enclosed map which shows the extents of the proposed double yellow lines. These proposals have been developed and revised following last year's informal consultation with residents.

Advertisement of Traffic Management Orders

Traffic Management Orders (TMOs) formally proposing the double yellow lines are being advertised on Thursday 10 April 2025.

Representations to the proposals are invited by **Friday 16 May 2025** and these may be made by e-mail to parkingpolicy@richmond.gov.uk.

Alternatively, representations may be made by letter to the address below:

Head of Engineering (Traffic and Parking Policy)
Civic Centre
44 York Street

When writing please state clearly whether you are in favour or oppose any aspect of the proposals and provide your address.

Please be informed that we are also advertising proposals to extend the controlled parking zone (T2) to Shaef Way at the same time.

Implementation

We will write to you when a decision has been made about the implementation of the double yellow lines, posting the decision on our website.
