Tree Giveaway at Old Deer Park

01

Krinkels UK help support Richmond Borough Councils Parks and Tree Team in a free tree whip giveaway at Old Deer Park on Saturday 14th of March 2026. The event was held to encourage local residents to plant trees within their gardens for biodiversity and climate change. This is the second year that Krinkels helped to support this event by donating 500 tree whips species which are suitable for the climate of 2050 – 2090.

Udney Hall Gardens Planting and Biodiversity

On Thursday 19th March, Krinkels UK partnered with the Parks Team and the Teddington Society to deliver a biodiversity enhancement day at Udney Hall Gardens. The team helped complete new wildflower zones by installing loggers and a bug hotel, sowing wildflower seed, and planting wildflower plugs, building on groundwork begun last autumn. This follows last year's successful collaboration on Ferry Road, further supporting community-led environmental improvements.

Community engagement

Riverside Clean up

“The river was amazingly clean today, which was in complete contrast to the last ten days - Friends of the Borough volunteers”

Local employment

“George was with us for four weeks, and it was great we could support him in learning valuable skills that he could utilise going forward - Krinkels UK”

Keller Park Planting

“Staff spent time with volunteers and the Council to plant bulbs in Keller Park - Krinkels UK”

Volunteering in the community

“With spring at hand, volunteers and a number of local groups began their involvement throughout the Borough. The collaborations between Krinkels, client, and local friend groups meant that a large amount of litter was collected from conservation areas. In addition, as part of our commitment to social value, we donated waste bags to the community” - Krinkels UK
